Quality	Uncirculated
Mintage	200.000
Alloy	Copper Cu 999
Total Weight	8.90 g
Edge	Milled

Price: € 5 (Tax free)

It's a chicken and egg situation. Which came to symbolise Easter first, the chicken or the egg from which it emerges? Whatever the correct answer, there are few better metaphors for the new life and rebirth associated with spring and Easter than the sight of a fluffy little chick using its beak to peck a hole through the shell of its egg.

An ancient symbol of fertility, the egg was a feature of pagan festivals celebrating spring. For Christians, easter eggs are thought to represent Jesus rising from the dead. But eggs were also eaten by the ancient Persians and Egyptians when celebrating their New Year, which took place in spring. For the chick, the egg is the final step on its journey to our miraculous world; a journey it makes unaware that it is part of that miracle itself.

COIN MOTIF

Surrounded by spring flowers and with a butterfly floating by its side, a chick emerges from its egg to discover the natural wonders of life.

Price: € 30 (Tax free)
6 x Copper, Uncirculated

A SACKFUL OF NATURE

5-Euro Easter Copper Coin Set

If you are looking for a colourful, lasting Easter gift that is so much more original than giving banknotes, then this charming Easter set is just right for you. A cheerful potpourri of spring scenes is held in a green organza bag in the shape of half a dozen 5 euro copper coins that all convey the same positive message – spring is here!

The bag contains the following six copper coins:
Dürer's Young Hare, Easter Lamb, Easter Bunny, Spring Awakening, Friends for Life, Easter Chick
