Blister pack featuring information in German and English

Quality Uncirculated
Mintage 130,000
Alloy Copper CU 999
Weight 15.00 g
Edge Milled

Price: € 10 (Tax free)

Among the most culturally significant of all flowers, the rose has played an important role in art, poetry, literature and commerce. Indeed, its enduring popularity has given the rose many more meanings than most other flowers. In all major religions the rose is linked to the miracle of love, which has led to its main symbolic meaning in the language of flowers.

The rose's exceptionally beautiful petals and the delicacy of its unfurling blooms suggest lips parting for a kiss, not to mention availability, sensuality and fertility. In addition to its more carnal connotations, the rose is symbolic of mystery, secrecy and tacit understandings, a meaning believed to have its origins in Greek mythology. Legend has it that Aphrodite gave a rose to her son, Eros, the deity of love, who in turn gave it to Harpocrates, the deity of silence, to induce him to keep quiet about the indiscretions of the gods. In the language of flowers a rose can therefore be used to signal an illicit tryst or the beginning of an affair. More innocently, the rose remains the perfect flower, particularly during difficult times, to send messages of tenderness and affection to loved ones near and far.

Symbolising love, the coin's obverse shows a couple exchanging an intimate stare, each with flowers in their hair. Next to an ornamental side image of a rose, which is stylishly printed in colour, the reverse of the coin features a pair of roses, both of which are imprints of real flowers.

Price: € 22.00 (incl. 10% VAT)

Preis: € 76,80 (inkl. 20 % VAT)
Inclusive Companion Book, coins not included

THE LANGUAGE OF FLOWERS COLLECTOR ACCESSORIES

Companion Book

Do you know which of the seven flowers in the series to give when you want to...

- Tell someone you are thinking of them?
- Apologise for doing something you are ashamed of?
- Express your affection in no uncertain terms?

You can find the answers to these questions and many, many more in the fascinating companion book to *The Language of Flowers* series. Written by renowned British gardening expert Juliet Roberts, this beautifully illustrated 100-page hardback takes an entertaining look at the meanings, mythology, magic, botany and uses of the seven well-known plants on which the coins are based.

Collector case

Made of top-quality reinforced card, with flowers delicately embossed on the lid, *The Language of Flowers* collector case provides the perfect environment in which to present and securely store all seven Proof quality coins in the series along with their respective certificates.

The case also has space to store the beautifully illustrated 100-page companion book to the coin series, should you decide to purchase it separately. Written by renowned British gardening expert Juliet Roberts, this beautifully illustrated 100-page hardback takes an entertaining look at the meanings, mythology, magic, botany and uses of the seven well-known plants on which the coins are based.

Collector Case with Companion Book

Ideal for collectors who are keen to add to and enhance *The Language of Flowers* series, the attractive collector case is also available complete with the highly informative and beautifully illustrated 100-page companion book to the coin series.

Written by renowned British gardening expert Juliet Roberts, the book takes an entertaining look at the meanings, mythology, magic, botany and uses of the seven well-known plants on which the coins are based and provides a fascinating background to the series.

Along with the first coin in the series, the case and book also make for a perfect gift set for friends or family.
